[700 new record jobs announced for Utah](#)

This article was posted on Jun 22 2011

LEHI — The record section will addition approximately 700 new jobs to Utah’s economy over a successive 4 years following a commercial of twin critical increase projects.

At a public Monday in Lehi, a residence of a Governor’s Office of Economic Development certified \$49.5 million in post-performance taxation incentives for IM Flash Technologies and EMC Corp. that are coming to breed hundreds of new positions and taxation revenue, Gov. Gary Herbert said.

“The record courtesy that (GOED) has targeted as a pivotal trading indicator has shown improbable staying appetite by bringing long-term increase to a state, and it is arrangement continued signs of strength,” Herbert said.

Under a initial provocation plan, Lehi-based IM Flash skeleton to addition 200 new jobs starting in 2012, while surpassing a tide staff levels of some-more than 1,400 employees as it expands a semiconductor artificial facility. The organisation expects to recompense about \$1.4 billion in new state income over a successive decade as good as investing \$1.5 billion in material as it implements a increase strategy.

“Our skeleton are to continue a investments as we pierce contemptuous and also raise — not customarily in Utah, yet around a globe,” conspicuous Keyvan Esfarjani, co-executive officer of IM Flash. Most of a new jobs will be engineering and technical support positions, he added.

IM Flash — a dilemma try between Intel Corp. and Micron Technology — is a star celebrity in sight memory technology.

The second provocation would offer EMC Corp. adult to \$3.5 million as it adds 500 new positions in Utah by a finish of 2015. The new jobs would recompense 125 percent of a normal county wage.

Headquartered in Hopkinton, Mass., EMC Corp. is a provider of storage hardware solutions that encourage information ransom and titillate cloud computing with 48,500 employees worldwide.

“We’re posting a jobs this week and will start to start contracting immediately,” conspicuous Vance Checketts, clamp trainer of support services for EMC Corp.

Checketts conspicuous a organisation would post about 70 to 100 people by year’s end, with some-more hires over a successive few years. He conspicuous while EMC searches for a exquisite site to accommodate a expansion, a organisation would use a Mozy cunning in Pleasant Grove.

EMC acquired Mozy, a provider of online backup services, in Oct 2007.

The latest announcements are a crafty indicator that a state’s long-range increase digest is pennon in a right direction, according to Jeff Edwards, trainer and arch executive officer of Economic Development Corp. of Utah.

“The information record section here will be exceedingly extended by EMC’s long-term presence, that will pierce offer trading success in Utah,” Edwards said.
